ELECTIONS--South Kanara District--Ballot boxes--Storage in a private building at Karkal--Employment of one watchman--Further retention--Report--Submitted.

Ref: G.O.Rt.No.852 Public (Election) Department dated 28.10.54.

In the G.O cited sanction was accorded for the employment of a watchman to guard the ballot boxes stored in the private building at Karkal in this district on payment at the prevailing market rate, subject to a maximum of Rs.30/- per month inclusive of Dearness allowance. The sanction expires on 28.2.55. The Tahsildar,Karkal reports that since the Government have approved the proposal to store steel and wooden ballot boxes in the private building at Kukkundur in Karkal taluk, one watchman is absolutely necessary to guar the boxes. I find that the services of a watchman is necessary to guard the ballot boxes stored in the private building. I therefore recommend that sanction may be accorded for the retention of one watchman sanctioned in the G.O cited upto 31.3.1956.

2. Sanction may also be accorded for the purchase of one hurricane lantern at a cost of Rs.6/- (six only) and purchase of six bottles of kerosene oil per month for use by the watchman.

Yours faithfully,
